

Silent Star

Silent Star is a thrilling original musical that follows four young orphans living in a struggling orphanage in Victorian London. One cold Christmas Eve, they wish upon a silent star to see the first Christmas. They soon find themselves transported to Bethlehem, where they witness the miraculous events leading up to the birth of Christ.

As they journey from the fields of the shepherds to the humble stable, each child is forever changed by the hope, love, and redemption found in the greatest story ever told. Through breathtaking music, unforgettable characters, and powerful storytelling, *Silent Star* reminds audiences that the light of Christmas still shines into the darkest places and that the birth of Jesus continues to transform hearts today.

From the troupe that brought you *The Chronicles of Narnia* and *The Pilgrim's Progress* live onstage comes this inspiring family production, a celebration of faith, wonder, and the true meaning of Christmas that will leave audiences of all ages encouraged long after the final curtain falls.
